What is the Iron-Belt Building and Loan Association? It is a co-operative bank in which the members are equal partners, and the deposits are loaned only to the members.
What is the object of this Association? The main object is for its members to assist each other in saving money and dividing what that money earns.

1. The most conservative Association in the country.
2. Plan covers every good point in the building and loan system.
3. Stock matures in seven years.
4. No investment safer or more profitable.

\$12 per month, after the first month, will carry twenty shares (\$2,000) of this stock, which stock will mature in seven years.
A thousand men win a competency by quietly saving their spare money when one gets rich by speculation. It is not what we make, but what we save, that counts fast.

JAMES R. TERRY, Canvassing Agent, Roanoke, Virginia.
